

A HOOSIER EL DORADO.

Farming Abandoned to Hunt the Yellow Stuff.

MARTINSVILLE, Ind., Oct. 31.—For many years people have been finding bits of gold in Morgan and Brown counties. Until a few days ago it was never believed that it could be found in paying quantities. Several months ago some old "49" miners went to Brown county and began to wash gold by hand from the gullies between the hills. They were fairly successful. The excitement has been increased by the announcement that gold has also been found in paying quantities in this (Morgan) county.

John M. McCann, a wealthy citizen of this county, has become interested. He is here showing \$300 worth of gold in coarse particles. He will take back with him a patent gold washer and W. S. Richards, an expert in gold mining. Mr. Richards is one of the persons interested in the gold industry in Brown county.

Several men have abandoned their farms and are making a living gold hunting. John Merriman recently sold about \$400 worth. This represented the labor of his family for about a month. Mr. Richards says there is a gold lead reaching through the hills 14 miles. As soon as the machinery ordered arrives he will develop this lead. Foreigners are coming in and buying land. The Pence brothers of Bartholomew county have bought largely and will mine on an extensive scale. Last week 12 farms changed hands in Jackson township.

CHINESE RIOTING.

Eighteen Celestials Seek Safety Fearing the Anti-Chinese League.

LOS ANGELES, Oct. 31.—More Chinese rioting reported Saturday night in the Cahuenga valley, a vegetable gardening district between this city and the ocean. Since the Geary law lapsed into inaction the white vegetable growers became so incensed and demonstrative that nearly all the Chinese left of their own accord.

A hundred and fifty members of the anti-Chinese league organized Saturday night, however, and moved upon Hancock, Griffin and the Deuker ranches, the largest in the family. Eighteen Chinese found in shacks were driven to the city and so badly frightened that they will not return. Many shots were fired, but no one was injured. The evicted Chinese have employed counsel.

Novel Suit.

WASHINGTON, Oct. 31.—An unhappy pair of Kentuckians have here entered an odd contest over a will. It is the novel spectacle of a husband and wife contesting over the property of a mutual friend. The case is now before the orphans' court. When Michael Belcher, a tailor, died intestate a month or so ago one Bartholomew Kalaher of Winchester, Ky., put in a claim to the estate on the ground of being a brother-in-law. And now Kate Kalaher, deserted wife of Bartholomew, has filed a counter petition for the property. After her husband left her she lived at Belcher's, and after the death of Mrs. Belcher remained as housekeeper and confidential servant. She believes that Belcher intended to leave his property to her as payment for her services, and she is certain he did not wish it to go to his brother-in-law, whom he disliked. The entire estate will not amount to more than \$1,000.

Accident on the Race Track.

KNOXVILLE, Oct. 31.—One jockey was killed and another frightfully mangled in an accident on the South Side race track yesterday afternoon. The horse ridden by Joe Burns, a well known jockey in the south, fell, throwing Burns over the horse's head. Another horse, ridden by Boyd McDannel, was close up, and fell over the other horse. Both horses in trying to regain their feet trampled on Burns, inflicting fatal injuries. J. Dannel may recover. The horse ridden by Burns was seriously injured and it was necessary to shoot him.

ADAMANT FOR WIFE.

COLUMBUS, O., Oct. 31.—A meeting of the unemployed here developed an unalloyed anarchist in one E. T. Adams, a laborer, who in an incendiary speech declared the time for talk had gone by. It was time for action. The relief committee, he said, would meet and make great plans, but do nothing for them. "We have got to fight," he said. "For our rights. We have got to have a war, and we might as well get at it."

Station Agent Shot.

MOUNT VERNON, Ky., Oct. 31.—Saturday afternoon, at Wildie, a station on the Kentucky Central railroad, six miles north of this place, W. L. Valandingham, the Adams express agent, was dangerously shot by Pat Taylor. Taylor demanded a package and because the agent did not wait on him at once, drew his pistol and shot the man in the abdomen. He will probably die. Taylor is in jail.

Shot His Rival.

PADDY RUN, O., Oct. 31.—John Floyd and Henry J. Smith were suitors for a girl named Lucy White. Floyd called on her and while the two were sitting in a room, Smith appeared at the window with a double-barreled shotgun. He fired and struck Floyd in the back of the neck, mortally wounding him. Some of the shot also struck the girl. Smith fled.

Was Shot by Moonshiners.

MADISON, Ind., Oct. 31.—About the 7th of last August Hosea Hildreth of this city was found near Mammoth Cave, Ky., beside the railroad track mangled by a passing train. News has just been received that Hildreth was shot by moonshiners and then placed on the track in order to make his death appear to be accidental.

Drinking Water Poisoned.

LAPEL, Ind., Oct. 31.—Two women were seen standing with no apparent purpose, near the well at the home of Emma and Mary Leggett. The water later on had a peculiar appearance, and analysis has shown that it contained arsenic. Suspicious as to who threw the poison into the well have not yet been confirmed.

KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the kidneys, liver and bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and \$1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

Complete Manhood and how to attain it.

At last a medical work that tells the causes, describes the effects, points the remedy. This is scientifically the most valuable, artistically the most beautiful, medical book that has appeared for years; 96 pages, every page bearing a half-tone illustration in tint. Some of the subjects treated are Nervous Debility, Impotency, Sterility, Development, Varicocele, The Husband, Those Intending Marriage, etc. Every man who would know the grand truths, the plain facts, the old secrets, and the new discoveries of medical science as applied to married life, who would atone for past follies and avoid future pitfalls, should write for this wonderful little book. It will be sent free, under seal. Address the publishers, Erie Medical Co., Buffalo, N. Y.
